b.Skincare Product Information

Serums

- Pearl Serum

b.Skincare's luxurious Pearl Serum is packed with powerful ingredients to help rejuvenate and hydrate your skin. Pearl powder, a natural source of calcium and amino acids, helps to brighten and even out skin tone, while hyaluronic acid and vitamin B5 work together to deeply moisturize and plump up the skin. With regular use, Pearl Serum can help to reduce the appearance of fine lines and wrinkles, leaving your skin looking smoother, softer, and more radiant. It's perfect for all skin types and can be used daily as part of your skincare routine. Use with b.Skincare's Antioxidant Moisturizer for an elevated moisture experience!

Key ingredients

-Pearl Powder: A natural source of calcium and amino acids, pearl powder helps to brighten and even out skin tone.

-Hyaluronic Acid: A powerful hydrating ingredient that can hold up to 1000 times its weight in water, hyaluronic acid helps to plump up the skin and reduce the appearance of fine lines and wrinkles.

-Vitamin B5: Also known as panthenol, vitamin B5 is a deeply moisturizing ingredient that helps to soothe and hydrate the skin.

Full Ingredient List

Water (aqua), hydrolyzed pearl powder, banana leaf/trunk extract (musa sapientum), hyaluronic acid (sodium hyaluronate), provitamin B5 (dl-panthenol), honeysuckle flower extract (lonicera caprifolium), honeysuckle flower extract (lonicera japonica).

- Licorice Brightening Serum

Introducing b.Skincare's Licorice Brightening Serum - a powerful blend of natural ingredients formulated to brighten and enhance the complexion. Enriched with licorice extract, niacinamide, NAG (N-Acetyl Glucosamine), quinoa, and pea protein, this serum works synergistically to diminish dark spots, improve skin tone, and promote a radiant glow.

Suitable for all skin types, this brightening serum is an essential addition to your skincare routine. Experience the transformative power of b.Skincare's Licorice Brightening Serum and achieve a radiant, even-toned complexion.

Key Ingredients

-Licorice extract: is known for its brightening properties, helping to fade hyperpigmentation and even out skin tone.

-Niacinamide: helps to minimize the appearance of pores and improve overall skin texture.

-NAG: acts as a gentle exfoliant, promoting cell turnover and revealing a smoother complexion.

Quinoa and pea protein: provide nourishment and hydration, leaving the skin feeling soft and supple.

Full Ingredient List

Water (aqua), n-acetyl glucosamine, niacinamide, glycerin, honeysuckle flower extract (lonicera caprifolium), honeysuckle flower extract (lonicera japonica), allantoin, hyaluronic acid (sodium hyaluronate), provitamin B5 (dl-panthenol), pea extract (pisum sativum), licorice root extract (glycyrrhiza glabra), chenopodium quinoa seed extract, potassium sorbate, sodium benzoate.

- Vitamin C Oil Serum

Introducing b.Skincare's Vitamin C Oil Serum, a potent blend of rejuvenating ingredients crafted to brighten, nourish, and revitalize your skin. Formulated with a luxurious combination of argan oil, renowned for its hydrating and antioxidant properties, and kakadu plum extract, one of the richest natural sources of vitamin C, this serum works to boost collagen production, even out skin tone, and provide protection against environmental damage. CoQ10 helps to energize and protect the skin from free radicals, while tetrahexyldecyl ascorbate, a stable form of vitamin C, penetrates deep into the skin to promote a radiant and youthful complexion. Treat your skin to the nourishing benefits of our Vitamin C Oil Serum, and unveil a brighter, firmer, and healthier-looking complexion with each application.

Key Ingredients

-Kakadu Plum Extract: a powerhouse ingredient due to its high concentration of vitamin C, kakadu plum extract is an excellent antioxidant that protects the skin from environmental stressors. Its vitamin C content offers benefits such as brightening the skin, promoting collagen production, and providing anti-aging properties.

-CoQ10: Coenzyme Q10, commonly known as CoQ10, is a potent antioxidant present in skin cells, helping to neutralize free radicals and reduce oxidative stress, which can lead to premature aging. It aids in promoting skin vitality, improving skin texture, and supporting skin's natural repair and regeneration processes.

-Tetrahexyldecyl Ascorbate: a stable form of vitamin C that can penetrate deeply into the skin, tetrahexyldecyl ascorbate provides antioxidant protection and supports collagen synthesis for firmer and more youthful-looking skin. It also helps in brightening the skin, reducing hyperpigmentation, and enhancing overall skin radiance.

-Argan Oil: is a nourishing ingredient rich in essential fatty acids and vitamin E, which help hydrate and moisturize the skin, making it suitable for dry and sensitive skin types. It also assists in improving skin elasticity, reducing inflammation, and protecting the skin's barrier function.

Full Ingredient List

Caprylic/capric triglyceride oil, argan oil (argania spinosa), vitamin C (tetrahexyldecyl ascorbate), sunflower seed oil (helianthus annuus), kakadu plum fruit extract (terminalia ferdinandiana), C12-15 alkyl benzoate, vitamin E (tocopherol), tocopheryl acetate, coenzyme Q10 (ubiquinone).

- Ceramide Fortifying Serum

This lightweight, fast-absorbing serum is thoughtfully crafted with collagen peptides, creatine, and plant-derived rice ceramides to help nourish and support your skin's natural defenses. Collagen peptides are included for their ability to deliver soft hydration and a firmer, more comfortable texture. Creatine is added to bring a gentle boost of natural energy to skin cells, enhancing overall vitality and freshness. Rice ceramides are chosen because they closely resemble the lipids naturally found in healthy skin helping to lock in moisture and create a smoother, more supple feel. Handmade in small batches with pure, raw ingredients, it glides effortlessly onto the skin, delivering a silky veil of hydration that leaves your complexion feeling soft, smooth, and comfortably balanced. Ideal for daily use, this gentle formula blends seamlessly into your skincare routine, helping your skin look healthy and resilient morning and night.

Key ingredients

-Collagen Peptides: Small, easily absorbed peptides that help skin feel firmer and smoother while providing a soft, hydrated finish and supporting overall skin comfort.

-Creatine: A naturally occurring compound that energizes skin cells, promotes a fresh, youthful appearance, and works with the other ingredients to enhance hydration and skin vitality.

-Rice Ceramides: Plant-based lipids that mimic those naturally found in skin. They help lock in moisture, reduce dryness, and support a healthy, resilient skin barrier for a smoother, more supple feel.

Full Ingredient List

Water (aqua), hydrolyzed collagen, glycerin, banana leaf/trunk extract (musa sapientum), propanediol 1,3, creatine, glycosphingolipids (oryza sativa), honeysuckle flower extract (lonicera caprifolium), honeysuckle flower extract (lonicera japonica), hyaluronic acid (sodium hyaluronate), provitamin B5 (dl-panthenol), leuconostoc.

Moisturizers

- Antioxidant Moisturizer

b.Skincare Antioxidant Moisturizer is an indulgent blend of natural ingredients that deeply hydrate, nourish and protect the skin. Its unique formula helps combat environmental stressors and promote a more youthful appearance, while leaving skin soft, smooth, and radiantly glowing. As part of your daily routine, Antioxidant Moisturizer can help improve skin texture and tone, making it a must-have for anyone seeking healthy, youthful-looking skin. To elevate your skin's hydration, use b.Skincare's Pearl Serum before applying your moisturizer.

Key Ingredients

-Sea Buckthorn: Packed with vitamins and minerals, sea buckthorn oil helps to nourish and protect the skin, while also promoting cell regeneration.

-Argan Oil: Rich in antioxidants and fatty acids, argan oil helps to moisturize and soften the skin, while also reducing the appearance of fine lines and wrinkles.

-Edelweiss: This alpine plant is known for its anti-inflammatory and antioxidant properties, making it a great addition to any skincare product.

-Watercress: Watercress is rich in vitamins A and C, as well as iron and calcium, which help to soothe and hydrate the skin.

Full Ingredient List

Water (aqua), argan oil (argania spinosa), cetearyl olivate, sorbitan olivate, sunflower seed oil (helianthus annuus), banana leaf/trunk extract (musa sapientum), propanediol 1,3, sea buckthorn seed oil (hippophae rhamnoides), sea buckthorn berry oil (hippophae rhamnoides), honeysuckle flower extract (lonicera caprifolium), honeysuckle flower extract (lonicera japonica), cetyl alcohol, edelweiss flower extract (gnaphalium leontopodium), watercress extract (nasturtium officinale), calcium gluconate, gluconolactone, vitamin E (tocopheryl acetate), hyaluronic acid (sodium hyaluronate), provitamin B5 (dl-panthenol), sodium benzoate, lactobacillus ferment.

- Dragon's Blood Oil-Free Moisturizer

Introducing b.Skincare's Dragon's Blood Oil-Free Moisturizer - a revolutionary, lightweight hydrator designed to transform the way oily, combination, and acne-prone skin experiences moisture. This beautiful formula delivers deep, lasting hydration without a trace of oil, grease, or unwanted shine, absorbing instantly to leave your complexion soft, balance, and naturally radiant. Crafted with a synergy of ancient botanical wisdom and modern dermatological science, it soothes irritation, fortifies the skin barrier, and promotes a clear, even tone - all while controlling excess sebum and minimizing the look of pores. Whether you're battling midday oiliness, post-cleansing dryness, or environmental aggressors, this moisturizer is your daily defense for calm, healthy, and effortlessly matte skin.

Key Ingredients

-Dragon's Blood Extract: Sourced from the sap of the Croton lechleri tree (often called "dragon's blood" for its deep red hue), this legendary ingredient is a powerhouse of antioxidants and anti-inflammatory properties. It helps calm irritated skin, promote healing, reduce redness, and form a protective barrier to lock in moisture while defending against environmental stressors.

-Watercress: Packed with vitamins A, C, and K, plus minerals like iron and calcium, watercress extract brightens dull skin, supports detoxification, and provides a boost of hydration. Its natural astringent qualities help refine pores and control excess oil, revealing a fresher, more even-toned glow.

-Niacinamide: A form of vitamin B3 renowned for its multitasking abilities, niacinamide strengthens the skin's natural barrier, minimizes the appearance of pores, evens skin tone, and reduces inflammation. It also regulates oil production and improves elasticity, making it ideal for achieving a smooth, matte finish without drying out the skin.

Full Ingredient List

Water (aqua), propanediol 1,3, banana leaf/trunk extract (musa sapientum), hydroxyethylcellulose, niacinamide, honeysuckle flower extract (lonicera caprifolium), honeysuckle flower extract (lonicera japonica), watercress extract (nasturtium officinale), dragon's blood extract (croton lechleri sap), hyaluronic acid (sodium hyaluronate), provitamin B5 (dl-panthenol), gluconolactone, calcium gluconate, sodium benzoate, lactobacillus ferment.

Masks

- Tropical Enzyme Exfoliating Mask

Say hello to radiant skin with our Tropical Enzyme Exfoliating Mask.

Transform your skin with our powerful yet gentle Tropical Enzyme Exfoliating Mask, packed with natural papaya, pineapple, mandelic acid, and aloe vera extracts. This innovative formula is specially created to help improve your skin's texture, tone, and radiance, leaving it with a healthy, smooth, and glowing look. It is perfect for all skin types, and is especially ideal for dull, uneven, or acne-prone skin.

Key Ingredients

-Papaya: Rich in papain enzyme and antioxidants, papaya helps to remove dead skin cells, reduce blemishes, and promote skin rejuvenation.

-Pineapple: Contains bromelain enzyme and vitamin C, which gently slough off dead skin, unclog pores, and even out skin tone.

-Mandelic Acid: A gentle AHA (alpha hydroxy acid) derived from almonds, mandelic acid improves skin texture, stimulates collagen production, and reduces the appearance of fine lines and wrinkles.

-Aloe vera: Known for its soothing and hydrating properties, aloe vera helps to calm inflammation, soothe redness, and provide deep hydration.

Full Ingredient List

Aloe leaf juice (aloe barbadensis), mandelic acid, hydroxyethylcellulose, phenoxyethanol, glycerin, pineapple fruit extract (ananas comosus), papaya fruit extract (carica papaya), papaya leaf extract (carica papaya), alcohol, tetrasodium glutamate diacetate.

- Cranberry Pumpkin Brightening Mask

Indulge in a luxurious skincare experience with our Cranberry Pumpkin Brightening Mask. This rejuvenating mask is enriched with the natural goodness of cranberry and pumpkin enzymes, along with the exfoliating power of glycolic acid and the nourishing properties of honey. The cranberry and pumpkin enzymes work synergistically to gently exfoliate the skin, sloughing away dullness and revealing a brighter, more radiant complexion. Meanwhile, the glycolic acid helps to further refine the skin's texture and promote a smoother appearance. The addition of honey provides deep hydration, leaving the skin feeling soft, supple, and revitalized. This mask is the perfect way to pamper your skin and unveil a luminous glow.

Key Ingredients

-Cranberry Enzyme: Cranberry contains antioxidants and vitamins that help to brighten the skin, reduce inflammation, and improve overall skin texture. The enzyme derived from cranberries gently exfoliates the skin, removing dead skin cells and revealing a fresh and radiant complexion.

-Pumpkin Enzyme: Pumpkin is rich in vitamins A and C, as well as enzymes that help to promote cell turnover and brighten the skin. The enzymes in pumpkin work to gently exfoliate the skin, revealing a smoother and more even skin tone.

-Glycolic Acid: Glycolic acid is a type of alpha hydroxy acid (AHA) that exfoliates the skin by loosening the bonds between dead skin cells, allowing them to slough off more easily. This results in smoother, brighter skin and helps to improve the skin's texture and tone.

-Honey: Honey is a natural humectant, meaning it helps to draw moisture into the skin, keeping it hydrated and nourished. Honey also has antibacterial properties that can help to calm and soothe the skin, making it ideal for sensitive or irritated skin types.

Full Ingredient List

Aloe leaf juice (aloe barbadensis), glycerin, lactobacillus/pumpkin fruit ferment filtrate (cucurbita pepo), water (aqua), glycolic acid, cranberry fruit extract (vaccinium macrocarpon), honey powder, gluconolactone, hydroxyethylcellulose, calcium gluconate, leuconostoc/radish ferment filtrate, maltodextrin, sodium benzoate.

- Snail Mucin Moisturizing Mask

Experience the ultimate hydration and rejuvenation with b.Skincare's Snail Mucin Moisturizing Mask, a powerhouse blend of skin-loving ingredients to revitalize and replenish your skin. Infused with snail mucin, known for its incredible moisturizing and skin-renewing properties, this mask deeply nourishes and hydrates, leaving your skin feeling supple and smooth. Calendula extract helps soothe and calm the skin, reducing inflammation and promoting a radiant complexion. Lactic acid gently exfoliates, revealing fresher and brighter skin while improving overall texture. Aloe, with its hydrating and soothing benefits, provide a refreshing and revitalizing effect, making this mask a luxurious treat for your skin. Indulge in the rejuvenating power of snail mucin and a blend of botanical extracts for a pampering experience that leaves your skin glowing with health and vitality.

Key Ingredients

-Snail Mucin: is known for its exceptional moisturizing properties, helping to hydrate and nourish the skin deeply. It is also rich in antioxidants and peptides, which can aid in skin repair, regeneration, and reducing the appearance of fine lines and wrinkles. Snail mucin is also known for its soothing and calming effects on the skin, making it suitable for sensitive or irritated skin.

-Calendula Extract: is revered for its anti-inflammatory, antibacterial, and antiseptic properties, making it an excellent ingredient for soothing and calming sensitive or irritated skin. It can help alleviate redness, reduce inflammation, and promote overall skin healing. Calendula extract is also rich in antioxidants, which can protect the skin from environmental stressors and promote a more radiant complexion.

-Lactic Acid: is a gentle exfoliating ingredient that helps to promote skin renewal and improve skin texture. It works by gently dissolving dead skin cells, revealing smoother and brighter skin underneath. Lactic acid also has hydrating properties and can help improve the skin's natural moisture barrier, making it an effective ingredient for addressing dryness and roughness.

-Aloe: is well-known for its soothing and hydrating properties, making it an ideal ingredient for calming and moisturizing the skin. Aloe has anti-inflammatory and antioxidant benefits, which can help reduce redness, irritation, and sensitivity. It also aids in healing and repairing the skin, making it a valuable addition to skincare products designed to nourish and revitalize the skin.

Full Ingredient List

Aloe leaf juice (aloe barbadensis), glycerin, water (aqua), lactic acid, snail secretion filtrate, calendula flower extract (calendula officinalis), hydroxyethylcellulose, gluconolactone, calcium gluconate, sodium benzoate.

- Charcoal Kelp Detoxifying Mask

Reveal fresh, radiant skin with b.Skincare's Charcoal Kelp Detoxifying Mask, expertly crafted to deliver a comprehensive skincare experience that purifies, nourishes, and rejuvenates your complexion. This luxurious mask harnesses the potent deep-cleansing power of activated charcoal to effectively draw out impurities, toxins, and excess oils that clog pores and dull your skin's natural glow. Complementing this detoxifying action, the mask is enriched with nutrient-packed sea kelp, known for its hydrating and antioxidant-rich properties that help soothe inflammation and promote healthy skin renewal.

Infused with mandelic acid and gentle yet effective exfoliant, it works to refine skin texture by removing dead skin cells and encouraging cell turnover, revealing a smoother and brighter complexion without irritation. Soothing aloe vera rounds out this powerful blend by calming the skin, reducing redness, and providing essential moisture for a balanced and comfortable feel. Together, these ingredients create a synergistic formula designed to detoxify and revitalize your skin, leaving it feeling refreshed, clear, and beautifully radiant.

Key Ingredients

-Activated Charcoal: known for its exceptional ability to draw out impurities, toxins, and excess oil from deep within the pores, activated charcoal helps to clarify the skin, reduced blackheads, and prevent breakouts for a clearer, smoother complexion.

-Sea Kelp: rich in minerals and antioxidants, sea kelp nourishes and hydrates the skin while promoting healthy cell regeneration. It supports skin elasticity and helps calm inflammation, leaving your skin soft, balanced, and refreshed.

-Mandelic Acid: a gentle alpha hydroxy acid (AHA) derived from almonds, mandelic acid exfoliates dead skin cells and encourages cell turnover without irritation. It helps brighten the skin tone, reduce the appearance of fine lines, and improve overall texture.

-Aloe Vera: known for its soothing and moisturizing properties, aloe vera helps reduce redness and irritation while providing lightweight hydration. It supports skin repair and soothes the surface for a calm, comfortable feel after detoxification.

Full Ingredient List

Aloe leaf juice (aloe barbadensis), glycerin, water (aqua), mandelic acid, kelp extract (macrocystis pyrifera), gluconolactone, hydroxyethylcellulose, activated charcoal (carbon), calcium gluconate, sodium benzoate.

Cleansers

- Turmeric Gel Cleanser

Introducing b.Skincare's Turmeric Gel Cleanser, a gentle yet effective cleanser that harnesses the power of turmeric, watercress, vitamin B5, and gentle surfactants to provide a deep, yet soothing cleanse for your skin.

Let this luxurious combination of nature and science with b.Skincare's Turmeric Gel Cleanser elevate your cleansing ritual and give you the healthy, glowing complexion you desire.

Key Ingredients

-Turmeric: A potent antioxidant known for its anti-inflammatory properties, turmeric helps to detoxify and purify the skin. This leaves it fresh and rejuvenated.

-Watercress: Another star ingredient which provides a natural source of vitamins and minerals that nourish and revitalize the skin, promoting a healthy complexion.

-Vitamin B5: Delivers intense hydration to the skin, helping to lock in moisture and leave it feeling soft and supple.

-Gentle Surfactants: Ensure a thorough cleanse without stripping your skin of its natural oils, making it suitable for all skin types, including sensitive skin.

Full Ingredient List

Water (aqua), glycerin, caprylyl/capryl glucoside, propanediol 1,3, cocamidopropyl betaine, decyl glucoside, provitamin B5 (dl-panthenol), hydroxyethylcellulose, honeysuckle flower extract (Lonicera caprifolium), honeysuckle flower extract (Lonicera japonica), sodium benzoate, potassium sorbate, watercress (nasturtium officinale) extract, turmeric (curcuma longa) root extract.

- Watermelon Cream Cleanser

Introducing b.Skincare's refreshing Watermelon Cream Cleanser, formulated with a blend of natural ingredients to gently cleanse and nourish the skin. Infused with hydrating and cooling cucumber extract, moisturizing jojoba oil, and revitalizing watermelon extract, this cleanser effectively removes impurities while leaving the skin feeling refreshed and hydrated. The gentle surfactants help to maintain the skin's natural moisture balance, making it suitable for all skin types. Treat your skin to the invigorating benefits of watermelon while effectively cleansing with this luxurious cream cleanser.

Key Ingredients

-Cucumber Extract: Known for its soothing and cooling properties, cucumber extract helps to calm and rejuvenate the skin. It is rich in antioxidants and vitamins, which can help reduce inflammation, hydrate the skin, and improve complexion by reducing puffiness and redness.

-Jojoba Oil: Jojoba oil is a natural moisturizer that resembles the skin's natural oils, making it an excellent choice for maintaining skin hydration without clogging pores. It helps to nourish and protect the skin, leaving it soft, smooth, and supple. Jojoba oil also contains anti-inflammatory properties that can assist in soothing irritation and redness.

-Watermelon Extract: Watermelon extract is rich in vitamins A, B, and C, as well as amino acids and antioxidants, making it a great ingredient for revitalizing and brightening the skin. It hydrates the skin, promotes cell regeneration, and helps to combat signs of aging, such as fine lines and wrinkles. The natural enzymes in watermelon extract also assist in gently exfoliating the skin, promoting a clearer complexion.

-Gentle Surfactants: Surfactants are cleansing agents that help to remove dirt, oil, and impurities from the skin's surface. In a cream cleanser, gentle surfactants effectively cleanse the skin without stripping away its natural oils. They create a lather that helps to lift away debris and makeup, leaving the skin clean and refreshed without causing dryness or irritation.

Full Ingredient List

Water (aqua), glycerin, jojoba seed oil (simmondsia chinensis), caprylyl/capryl glucoside, cetearyl olivate, sorbitan olivate, cocamidopropyl betaine, decyl glucoside, cetyl alcohol, propanediol 1,3, watermelon fruit extract (citrullus lanatus), xanthan gum, cucumber fruit extract (cucumis sativus), honeysuckle flower extract (lonicera caprifolium), honeysuckle flower extract (lonicera japonica), vitamin E (tocopheryl acetate), sodium benzoate, potassium sorbate.

- Elderberry Cleansing Oil

Elevate your cleansing routine with b.skincare's Elderberry Cleansing Oil — a luxurious, nourishing oil-based cleanser designed to gently dissolve makeup, sunscreen, excess sebum, and daily impurities while deeply hydrating and restoring your skin's natural balance. This silky, non-greasy formula melts effortlessly on contact, transforming into a milky emulsion when mixed with water for easy rinsing, leaving your skin feeling clean, soft, and supremely comfortable without any stripping or tightness. Infused with a premium selection of botanical oils and extracts—including camellia oil for rich antioxidant protection and moisture, jojoba oil to mimic and balance your skin's natural sebum, and elderberry extract packed with potent antioxidants for radiance and vitality—this cleansing oil purifies thoughtfully while nourishing and revitalizing for a healthy, glowing complexion with every use.

Perfect for all skin types — including dry, oily, combination, and sensitive — this gentle, non-comedogenic cleansing oil respects your skin's microbiome while removing the day's buildup. Massage a few drops onto dry skin to dissolve makeup, dirt, and extra oil. Add water to emulsify, then rinse thoroughly. Follow with your favorite serum and/or moisturizer for optimal results. Can be used as first step in double cleansing.

Discover the harmonious blend of nature's finest oils and extracts — indulge in cleaner, softer, more luminous skin with b.skincare Elderberry Cleansing Oil. Your skin deserves this gentle luxury.

Key Ingredients

-Camellia Oil: A lightweight yet deeply emollient oil abundant in antioxidants, essential fatty acids, and vitamins, it provides exceptional hydration, strengthens the skin barrier, protects against environmental damage, and promotes a smooth, youthful appearance without clogging pores.

-Jojoba Oil: Closely resembling the skin's natural sebum, this balancing oil effectively dissolves impurities and makeup, helps regulate oil production, soothes inflammation, and delivers lasting moisture for calm, clear, and supple skin.

-Elderberry Extract: Rich in powerful antioxidants, vitamins (like A, B, and C), and flavonoids, elderberry extract helps shield the skin from free radicals, supports a stronger barrier, promotes even tone and brightness, and calms irritation for a more radiant, resilient complexion.

Full Ingredient List

Caprylic/capric triglyceride oil, jojoba seed oil (simmondsia chinensis), camellia seed oil (camellia oleifera), castor seed oil (ricinus communis), polyglyceryl-4 oleate, elderberry fruit extract (sambucus nigra), vitamin E (tocopherol).

Other Face Products

- Gaba Eye Cream

b.Skincare's Gaba Eye Cream is a powerful and revitalizing formula designed to nourish and rejuvenate the delicate skin around your eyes. Packed with a synergistic blend of botanical ingredients, this eye cream is specially formulated to address multiple skin concerns.

The ingredients work harmoniously to target signs of aging, reduce puffiness and dark circles, and improve overall skin texture. With regular use, b.Skincare's Gaba Eye Cream will leave your eye area looking smoother, firmer, and more youthful.

Say goodbye to tired-looking eyes and indulge in the luxurious nourishment of b.Skincare's Gaba Eye Cream. Experience the transformative power of nature and reveal your most radiant self.

Key Ingredients

-Broccoli Seed Oil: This nutrient-rich oil is packed with antioxidants, vitamins, and fatty acids that help protect the skin from oxidative stress and promote a more youthful appearance.

-Rice Ceramides: Known for their moisturizing properties, rice ceramides help restore and maintain the skin's natural moisture barrier, preventing dryness and promoting smooth, supple skin.

-Periwinkle Extract: Derived from the periwinkle plant, this extract has powerful anti-inflammatory properties that help reduce puffiness and under-eye bags, leaving your eye area refreshed and revitalized.

-Gaba: Gamma-Aminobutyric Acid (GABA) is a naturally occurring neurotransmitter that helps relax the muscles around the eyes, diminishing the appearance of fine lines and wrinkles.

-Galactoarabinan: Derived from the Larch tree, galactoarabinan is a natural polysaccharide that helps improve the skin's texture and tone, promoting a more even and radiant complexion.

Full Ingredient List

Water (aqua), broccoli seed oil (brassica oleracea italica), cupuacu butter (theobroma grandiflorum seed), propanediol 1,3, glycerin, galactoarabinan, cetearyl alcohol, banana leaf/trunk extract (musa sapientum), cetearyl olivate, sorbitan olivate, glycosphingolipids (oryza sativa), vitamin E (tocopheryl acetate), GABA (aminobutyric acid), honeysuckle flower extract (lonicera caprifolium), honeysuckle flower extract (lonicera japonica), periwinkle extract (catharanthus roseus), hyaluronic acid (sodium hyaluronate), provitamin B5 (dl-panthenol), leuconostoc.

- Amber Polish

Indulge in radiant and glowing skin with b.Skincare's luxurious Amber Polish. Infused with the goodness of jojoba oil, kojic acid, sweet potato extract, and amber powder, this gentle exfoliating scrub is designed to revive and rejuvenate your complexion.

Embrace the power of nature and unveil a more radiant and healthier-looking skin with each use.

Key Ingredients

-Jojoba Oil: Known for its moisturizing and nourishing properties, jojoba oil helps to hydrate the skin while keeping it soft and supple.

-Kojic Acid: A natural brightening agent, kojic acid helps to even out skin tone and reduce the appearance of dark spots and pigmentation.

-Sweet Potato Extract: Packed with antioxidants and vitamins, sweet potato extract helps to combat free radicals and promote a youthful appearance.

-Amber Powder: Rich in minerals, amber powder gently exfoliates the skin, removing dead skin cells and impurities to reveal a smoother and brighter complexion.

Full Ingredient List

Water (aqua), jojoba seed oil (simmondsia chinensis), amber powder, caprylyl/capryl glucoside, glycerin, pumice powder, cetyl alcohol, kojic acid dipalmitate, cetearyl olivate, sorbitan olivate, cocamidopropyl betaine, decyl glucoside, propanediol 1,3, provitamin B5 (dl-panthenol), honeysuckle flower extract (lonicera

caprifolium), honeysuckle flower extract (Lonicera japonica), sweet potato extract (Ipomoea batata tuber), xanthan gum, vitamin E (tocopheryl acetate), sodium benzoate, potassium sorbate.

- Diamond Toner

Elevate your skincare ritual with b.skincare's Diamond Toner — a luxurious, illuminating facial toner thoughtfully crafted to refresh, balance, and unveil your skin's natural brilliance from the very first sweep. This gentle, alcohol-free formula expertly removes any lingering traces after cleansing, restores your skin's optimal pH level for harmony and comfort, and creates the perfect canvas for serums, moisturizers, and treatments to follow. Infused with a premium blend of high-quality, skin-nurturing ingredients—including diamond extract for exceptional light-reflecting radiance, green tea rich in protective antioxidants, and aloe for deep hydration and soothing calm—this toner delivers an instant polished glow while supporting overall skin health and vitality with every luxurious application.

Suitable for all skin types — even sensitive — this toner sinks in swiftly without any drying or tugging sensation. After cleansing, swipe it across your face and neck with a cotton pad or gently pat it in with clean fingertips for an invigorating, glow-boosting moment. Alternatively, spray on skin throughout the day for a quick refresh.

Embrace the fusion of nature and luxury — experience brighter, more vibrant skin with b.skincare Diamond Toner. Your radiant transformation awaits.

Key Ingredients

-Diamond: Ultra-fine diamond particles deliver exceptional light-reflecting properties that diffuse ambient light across the skin, blurring the look of imperfections and creating an instant luminous, "diamond-like" radiance for a flawless, youthful appearance.

-Green Tea: Loaded with powerful antioxidants (such as EGCG), green tea extract helps soothe and calm the skin, shields against daily environmental aggressors, and promotes a clearer, more balanced complexion.

-Aloe: Famous for its intense hydration and restorative qualities, aloe vera delivers immediate moisture, eases redness, and strengthens the skin's natural barrier, leaving it feeling supple, plump, and serene.

Full Ingredient List

Water (aqua), propanediol 1,3, glycerin, diamond powder, green tea leaf extract (Camellia sinensis), aloe leaf juice (Aloe barbadensis), honeysuckle flower extract (Lonicera caprifolium), honeysuckle flower extract (Lonicera japonica), hyaluronic acid (sodium hyaluronate), provitamin B5 (DL-panthenol), sodium benzoate, potassium sorbate, Leuconostoc/Radish ferment filtrate.

Body Products

- Hibiscus Hand Cream

Introducing b.Skincare's luxurious Hibiscus Hand Cream, enriched with potent and natural ingredients to nourish and rejuvenate your skin. This non-greasy formula absorbs quickly, leaving your hands feeling silky-smooth and renewed.

Infused with argan oil, known for its exceptional moisturizing properties, this hand cream provides intense hydration without leaving a greasy residue. Daikon seed extract, rich in antioxidants and vitamin E, helps protect your skin from environmental stressors while promoting a youthful appearance. The inclusion of hibiscus extract further enhances the cream's restorative qualities, promoting softness and suppleness.

By combining these potent ingredients, b.Skincare's Hibiscus hand Cream offers a comprehensive approach to hand care, addressing hydration, protection, rejuvenation, and overall skin health. Experience the luxurious blend of nature's finest elements with each application of our nourishing hand cream.

Key Ingredients

-Argan Oil: is a rich source of essential fatty acids and antioxidants and helps to hydrate and nourish the skin, improving its elasticity and providing a protective barrier. The high concentration of vitamin E also aids in repairing and rejuvenating dry, damaged skin.

-Daikon Seed Extract: is derived from radish seeds and offers protection against free radicals and environmental stressors. It also assists in retaining skin moisture, promoting smoothness and preventing dryness.

-Hibiscus Extract: is renowned for its skin-soothing properties and helps to brighten and tone the skin, promoting a more even complexion. Its natural acids provide gentle exfoliation, while its moisturizing effects leave the skin soft and supple.

Full Ingredient List

Water (aqua), squalane, propanediol 1,3, argan oil (argania spinosa), cetearyl alcohol, radish seed extract (raphanus sativus), banana leaf/trunk extract (musa sapientum), glyceryl stearate, gluconolactone, honeysuckle flower extract (lonicera caprifolium), honeysuckle flower extract (lonicera japonica), vitamin E (tocopheryl acetate), calcium gluconate, hibiscus extract (hibiscus syriacus linn.), hyaluronic acid (sodium hyaluronate), sodium benzoate, sodium sterol lactylate, provitamin B5 (dl-panthenol), xanthan gum.

- Silk Body Oil

This lightweight dry body oil is thoughtfully crafted with camellia oil, argan oil, and hydrolyzed silk to deliver deep yet non-greasy moisture that absorbs quickly while leaving skin feeling beautifully nourished and soft.

This luxurious dry body oil glides on effortlessly and sinks in within moments, leaving behind a silky veil of hydration without any heavy or sticky residue. Brimming with nourishing fatty acids and delicate natural proteins, the fast-absorbing formula melts into the skin to deliver rich, lightweight moisture that keeps your skin feeling smooth, supple, and comfortably balanced all day long. Ideal for daily use after bathing or whenever your skin craves an instant boost of softness and radiance.

Perfect for all skin types, including sensitive skin.

Key Ingredients

-Camellia Oil: A fast-absorbing dry oil rich in oleic acid and vitamins that closely mimics the skin's natural lipids. It helps lock in moisture, supports suppleness and elasticity, and leaves skin feeling soft and smooth without any greasy after-feel.

-Argan Oil: Known as “liquid gold,” this nutrient-rich oil is packed with essential fatty acids, antioxidants, and vitamin E. It deeply nourishes and moisturizes while absorbing quickly, helping to restore softness and a healthy glow to dry or rough areas.

-Hydrolyzed Silk: Delicate silk proteins that act as a natural humectant, drawing in and holding moisture while forming a light, breathable layer on the skin. It enhances the silky-smooth texture and leaves your skin feeling luxuriously soft, supple, and radiant.

Full Ingredient List

Caprylic/capric triglyceride oil, argan oil (*argania spinosa*), coco caprylate caprate, camellia seed oil (*camellia oleifera*), jojoba seed oil (*simmondsia chinensis*), silk hydrolysate (cocoyl hydrolyzed silk), Vitamin E (tocopherol)

Body Polishes (Emulsified Sugar Scrubs)

- Coffee Body Polish

Introducing b.Skincare's natural Coffee Body Polish, specially formulated to give your skin a rejuvenating and invigorating experience. Enriched with key ingredients such as vitamin E, jojoba, coffee butter, ground coffee, and sugar, this luxurious body polish exfoliates and nourishes your skin to reveal a radiant and smooth complexion.

The vitamin E and jojoba oil work together to provide deep hydration, promoting skin elasticity and a healthy glow. Coffee butter and ground coffee help to stimulate circulation and target cellulite, leaving your skin looking and feeling firmer. The sugar granules gently exfoliate, removing dead skin cells and promoting a more even skin tone.

Indulge in the rich aroma of coffee while pampering your skin with this natural body polish. Use regularly for best results and enjoy the luxurious feeling of soft, nourished, and revitalized skin.

Key Ingredients

-Vitamin E: Known for its antioxidant properties, vitamin E helps to protect the skin from free radicals and environmental damage. It also assists in maintaining skin health by promoting cell regeneration and improving overall skin texture..

-Jojoba Oil: A lightweight and non-greasy oil, jojoba is easily absorbed by the skin, providing deep hydration and nourishment. It helps to balance oil production, soothe sensitive skin, and improve the skin's natural barrier function.

-Coffee Butter: Derived from roasted coffee beans, coffee butter is rich in caffeine, which can help to reduce inflammation and puffiness. It also contains natural antioxidants that protect the skin from premature aging and promote a smoother appearance.

-Ground Coffee: Ground coffee acts as a natural exfoliant, gently sloughing away dead skin cells to reveal fresher, younger-looking skin underneath. It helps to improve circulation, reduce the appearance of cellulite, and brighten the skin.

-Sugar: Sugar granules are a gentle yet effective exfoliant that helps to buff away dry, flaky skin. Sugar also has humectant properties, drawing moisture into the skin to keep it hydrated and supple.

Full Ingredient List

Sugar (sucrose), jojoba seed oil (simmondsia chinensis), sweet almond oil (prunus amygdalus dulcis), coffee (coffea arabica), coffee seed oil (coffea arabica), emulsifying wax NF, stearic acid, phenoxyethanol, vitamin E (tocopheryl acetate).

- Cocoa Body Polish

Indulge in the decadent experience of b.Skincare's natural Cocoa Body Polish, designed to pamper and revitalize your skin. Enriched with antioxidant-rich cocoa butter, vitamin E, nourishing jojoba oil, and exfoliating sugar, this luxurious body polish will leave your skin feeling soft, smooth, and deeply moisturized.

Treat yourself to the rich and indulgent aroma of cocoa while giving your skin the care it deserves with our natural Cocoa Body Polish. Experience a spa-like treatment at home and enjoy the luxurious feeling of beautifully nourished and glowing skin.

Key Ingredients

-Cocoa Butter: Known for its deep moisturizing properties, cocoa butter helps to hydrate and nourish the skin, leaving it silky smooth and supple. Its high antioxidant content also helps to protect the skin from environmental stressors..

-Vitamin E: A potent antioxidant, vitamin E helps to combat free radicals and promote healthy skin cell regeneration. It also provides intense hydration and helps to improve the skin's elasticity and overall texture.

-Jojoba Oil: Lightweight and easily absorbed, jojoba oil mimics the skin's natural oils, making it an effective moisturizer for all skin types. It helps to soothe and balance the skin while providing long-lasting hydration.

-Sugar: The gentle exfoliating properties of sugar help to slough away dead skin cells, revealing softer, smoother skin underneath. Sugar also helps to improve skin tone and texture, leaving your skin looking radiant and rejuvenated.

Full Ingredient List

Sugar (sucrose), jojoba seed oil (simmondsia chinensis), cocoa seed butter (theobroma cacao), emulsifying wax NF, stearic acid, phenoxyethanol, vitamin E (tocopheryl acetate).

- Honey Pumpkin Body Polish

Introducing b.Skincare's natural Honey Pumpkin Body Polish, a luxurious treat for your skin that combines the nourishing properties of honey, pumpkin, cinnamon, and sugar. This indulgent body polish is designed to exfoliate, hydrate, and revitalize your skin, leaving it soft, smooth, and radiant.

Immerse yourself in the warm, comforting scent of honey and pumpkin while pampering your skin with this natural body polish. Treat yourself to a spa-like experience and enjoy the luxurious feeling of soft, nourished, and glowing skin with our holy pumpkin body polish.

Key Ingredients

-Honey: Renowned for its moisturizing and antibacterial properties, honey helps to hydrate the skin while soothing and calming any irritations. It also acts as a natural humectant, attracting and retaining moisture in the skin.

-Pumpkin: Packed with vitamins A and C, pumpkin is a potent antioxidant that helps to brighten and even out the skin tone. Its enzymes assist in gently exfoliating the skin, promoting cell turnover and revealing a more youthful complexion.

-Cinnamon: Cinnamon is not only invigorating but also has antimicrobial and anti-inflammatory properties that can help with skin conditions such as acne. It boosts circulation, aiding in the delivery of nutrients to the skin cells for a healthy glow.

-Sugar: Sugar acts as a natural exfoliant, gently buffing away dead skin cells and promoting brighter, smoother skin. Its granules help to unclog pores and improve the skin's texture, giving you a renewed and revitalized look.

Full Ingredient List

Sugar (sucrose), jojoba seed oil (simmondsia chinensis), pumpkin fruit powder (curcubita pepo), emulsifying wax NF, stearic acid, honey powder, phenoxyethanol, vitamin E (tocopheryl acetate), cinnamon bark powder (cinnamomum zeylanicum), maltodextrin.

- Vanilla Bean Body Polish

Elevate your skincare ritual with b.Skincare's Vanilla Bean Body Polish, a luxurious exfoliating scrub that leaves your skin radiant, velvety-smooth, and deeply nourished. Infused with the warm, indulgent essence of vanilla bean, this sumptuous blend envelops you in a rich, comforting aroma that transforms your routine into a spa-like escape.

Crafted with nutrient-rich Vitamin E, this body polish hydrates and shields your skin, promoting a soft, resilient complexion that stands up to daily environmental stressors. Jojoba oil, nature's ultimate moisturizer, mirrors your skin's natural oils to deliver lasting hydration without clogging pores, leaving you with a balanced, luminous glow. Vanilla bean and natural sugar work together to provide gentle yet effective exfoliation, smoothing away dullness to reveal vibrant, healthy-looking skin.

Key Ingredients

-Vanilla Bean: gently exfoliates to remove dead skin cells, revealing smoother, brighter skin with a warm, soothing vanilla scent.

-Vitamin E: deeply nourishes and hydrates, protecting skin from environmental damage for a soft, resilient complexion.

-Jojoba Oil: mimics skin's natural oils to provide long-lasting moisture, ensuring a non-greasy, dewy glow without clogging pores.

-Sugar: naturally exfoliates to polish away dull skin, promoting a smooth, radiant surface while enhancing skin texture.

Full Ingredient List

Sugar (sucrose), jojoba seed oil (*simmondsia chinensis*), vanilla seed powder (*vanilla planifolia*), emulsifying wax NF, stearic acid, phenoxyethanol, vitamin E (tocopheryl acetate).

Lip Products

- Peppermint Lip Scrub

Experience the rejuvenation power of b.Skincare's Peppermint Lip Scrub! Our luxurious formula combines the exfoliating magic of sugar with the nourishing benefits of vitamin E, all enhanced by invigorating peppermint oil. Say goodbye to dry, chapped lips and hello to a smooth, hydrated pout that feels as good as it looks. Energize your lip care routine with this essential treat and feel the difference with every use. At b.Skincare, we bring you the best in natural beauty, because your lips deserve to be soft, supple, and irresistibly kissable.

Key Ingredients

-Vitamin E: Known for its antioxidant properties, vitamin E helps to protect the delicate skin on your lips from environmental stressors. It also aids in promoting cell regeneration, keeping your lips healthy and youthful-looking.

-Sugar: Sugar granules act as a natural exfoliant, gently sloughing off dead skin cells to reveal smoother, softer lips. It helps to improve circulation to the lips, promoting a rosy, healthy appearance.

-Peppermint Oil: The cooling and refreshing sensation of peppermint oil not only invigorates your senses but also provides antibacterial and anti-inflammatory benefits to your lips. It helps to soothe irritation and promote a plump, hydrated look.

Full Ingredient List
