PRICING NOTES

All prices are per unit. White label pricing reflects a 10% label discount applied on top of volume pricing (lip balms capped at \$0.50 off per unit). Volume tiers apply per product — each item must meet the quantity threshold on its own to qualify for that tier. For example, ordering 10 Pearl Serums qualifies for the 10-unit price on Pearl Serum. Ordering 5 Pearl Serums and 5 Antioxidant Moisturizers means each product prices at its own 5-unit tier.

TERMS

Orders are for licensed estheticians and skincare professionals only. White label orders ship without b.Skincare branding. Minimum order quantities and lead times discussed at time of order.
